Did You Know… We have created some new recorded training to support several modules in the application? Yay!

Let us help you search for the training you need.

Get Started

1. Go to Availity Central and click Knowledge Center at the bottom.

OR

2. Click the Knowledge Center button in the Learn More about our Additional Modules column.

Select Your Recording

1. The cool boxes in the Knowledge Center show you the available modules in the Availity RCM application.

2. If you want to learn more about Reports, click the Report Analysis box, and then scroll to the Recorded Presentations section.

3. Some modules have multiple recorded presentations! Once you find the recording you want to view, click Watch the Recording.

QUESTIONS OR NEED HELP?

If you have additional questions about this feature and functionality, please contact your Client Account Manager (CAM), Revenue Cycle Specialist (RCS), or Availity RCM Client Services.
